

# Microsoft Office365

Our agreement with Microsoft allows students to download office365 for home use regardless of MAC or Windows OS.

This agreement will also provide a business OneDrive account.

To access office365 for personal use navigate to: <https://portal.office.com/> log in with your credentials, then select the Office365 download.

\*Note – your login credentials are usually your first initial and last name separated by a period. Your password is your student ID. This login process will be reviewed at the beginning of the school year.
